

# CTN-102A

## LOW POWER MULTIBAND PORTABLE JAMMER

GSM & CDMA/TDMA & H GSM & PCS & UMTS (3G)

The low power CTN-102A portable jammer can be used in a discrete manner to provide protection against the risk of eavesdropping via cellular phones, as well as to eliminate the irritating nuisance of ringing cellular phones within a small protected radius.

This model can operate either from its internal battery pack, or from a main AC power.

The CTN-102A can be constructed to jam up to three cellular and/or satellite mobile phone systems.

- Government and military
- Law-courts and parliaments
- Meeting rooms
